

AVOGADRO
Environmental Corporation

Guarantee of Service

Experienced knowledgeable professionals, utilizing state-of-the-art instrumentation, under incentive-based management, yields the most cost-effective approach for completing air quality services, efficiently and with technical integrity. **Avogadro** will provide expert technical staff to conduct accurate monitoring and testing in accordance with the defined test methods, to meet your compliance needs. We promise that if your testing program is not completed correctly by **Avogadro*** the first time, we will repeat it at no cost to you.**

*Avogadro has never had to repeat a complete testing program since beginning its guarantee in 1995.

**This applies only to events where Avogadro is at fault. Any other incidences will be addressed on a case by case basis.

Clean Air & Water, for Today & Tomorrow
