

What's Your ROI?

Your Return on Investment with Avogadro's CEMS Service

Avogadro Environmental Corporation offers a full service CEMS Technical Division. Our 20 years of experience gives our customers the advantage when doing audits, routine maintenance, upgrades and emergency repairs. The following is an example of how our service can help you maintain your CEMS and meet budget issues:

1. Our service **exceeds** customers' submitted QA/QC plans
2. We guarantee better than **95%** data availability with our support
3. We provide CEMS knowledge including vendor news, new techniques, and upgrade recommendations
4. Our DAHS knowledge enhances communication between our customers and DAHS vendors
5. We keep customers up to date with regulatory information and eliminate costly fines
6. Preventative maintenance contracts save **\$\$** caused by non-maintained broken CEMS (emergency repair, CEMS availability, and unit availability)
7. Efficient service by highly trained service personnel saves **\$\$** within customer maintenance budget
8. We can provide CEMS support and auditing services within one turnkey contract, saving you **\$\$**

Avogadro Environmental invites you to call us to discuss how we can support your CEMS, COMS, and CMMS service needs. **George Marshall**, our CEMS Technical Manager can be contacted at **610-559-8776** ext. **201** or by email at gmarshall@avogadro.net.
